The Honorable Lionel H. Olmer
The Under Secretary for International Trade
Department of Commerce
Washington, D.C. 20230

Dear Lionel,

I thought you might find the attached study of interest. It presents a picture of a surprisingly robust US performance in the world economy in the past decade and projects a rather more favorable outlook for US international competitiveness in the mid-1980s than is generally assumed.

I would very much appreciate any comments you might have on the paper. I can be reached on [redacted]
